The meeting was called to order by President Gordon Millikan. Minutes of the previous meeting were read and approved.

Helen Hostetter's request for a new salary adjustment on the Klipsun was presented and discussed. Her claim is that the salaries, seventy-five dollars (\$75.00) to the Editor and twenty-five dollars (\$25.00) to the Business Manager are not a fair proportionment in accordance with the amount of work done by each. It was moved and seconded that the Editor shall receive, at the end of the year, any profits from the yearbook up to the sum of twenty-five dollars (\$25.00) in addition to her regular salary. Any amount in excess of twenty-five dollars (\$25.00) is to remain in the Klipsun fund. The motion carried.

It was moved and seconded that the business office be enjoined from holding student activity tickets until after class dues and Men's club dues are paid. Dr. Bond suggested that the matter of fees be investigated. He moved that the previous motion be tabled. The motion was seconded and carried.
