## Nobody Votes at Elections; Why Ruin Machines?

The valiant yet insignificant number of rallying voters who turned out for the two recent student elections are to be commended. It appears that the student body has little interest in who carries out their wishes in student government. Rather than submit the voting machines to unnecessary wear and tear, the board of control might just as well abolish elections and choose their members by the "eeny meeny miny" method. With only fifty per cent of the enrolled casting ballots, one wonders if perhaps the "eeny, etc." method would not be the more representative. Some say that people never realize what they want until they lose it. That leaves little to choose from. Either we realize now that we want to select our representatives democratically or we wait until our vote has to be removed because of lack of interest and then become aware of the fact that we want fair representation. Be democratic, vote once in a while.

## Collegian Reminder to All; Door Always Open

In the midst of the profuse and joyous "Hello, Joes" the Collegian has but little to remind. To grads and undergrads alike... the Collegian office is always open... make all year homecoming.

## Traipse Turkey Early; Good Idea For WWC

President Roosevelt has received criticisms from all angles of the political and financial horizon for his sudden desire to traipse the turkey a week ahead of normal. WWC has little room for complaint. With HOMECOMING week and its innumerable preparations and time consumers sapping the scholastic interests of all around the campus, a holiday falling in the middle of the ensuing week is far superior to one coming a week later. The brief layoff from the routine of school is the proper recuperative facility for re-pepping the vital forces to flash at the finish of the quarter.

## "Philbert's Phootball Phoolosophy, Tops," Say The Facts

At last the long-awaited "Philbert's Phootball Phoolosophy" has made its appearance. Every year at the same time, a HOMECOMING booklet receives immense ballyhoo and publicity and with fanfares flying jumps into the limelight for the festive celebration. Then, forgotten, it dies naturally and is laid away. Each staff feels it has a better book than the year preceding. Each publicity agent has taller schemes for playing the booklet up.

This year the Collegian has the facts to prove that this year's publication is by far the best of all printed in the sixteen HOMECOMINGS.

Actually inches bigger in size than previous editions, the 1939 booklet has more than half-again the number of illustrations in its pages as have the best of previous publication. Printed matter is increased with the size of the undertaking and this year comparisons from a man-to-man standpoint were included for the first time.

The montage cover photographed and prepared by Bill Tiffany, Collegian photographer, is excellent in itself, exceeding perhaps even the risqué 1938 cover of a lockerroom scene. All in all the Collegian staff is proud of its achievement. For your approval, "Philbert's Phootball Phoolosophy!"

## Scoops for a Purpose; No Fun in Them

Essentially the WWC Collegian is always the students' journal. Criticism has been directed toward the Collegian for its policy of scoops on all student affairs whenever possible. News of the type the Collegian scoops is usually of an official nature and worthy of publication first in the official newspaper of WWC. The withholding of facts for publication in these pages is not enforced that the staff might know the news before others or that we may exert authority but such withholding is affected that a complete, correct, and informative report be made in the official manner.

## 'Accent On Youth' Opens At Guild

Beginning the first section of a double week-end production, The Bellingham Theatre Guild opened last night for the first showing of the late Broadway hit comedy "Accent On Youth". A drastic reduction of prices for student admission makes possible the attendance of the entire WWC student body. The new price for college enrollees is 23c plus tax.

The Bellingham Theatre Guild is one of the facilities placed within the reach of every student of the college whereby he can obtain cultural experience and enjoyment for a minimum of expense. "Accent On Youth" also will be shown next week-end, Thursday, Friday, and Saturday evenings, the doors opening at 8 p. m.

## Fanatic Filchings

Nosing around the campus this week we found some rather interesting and, might we say, rare bits of gossip. If you are beginning to see an over-abundance of flat noses tearing around the halls, fear not; Indians are not again in full sway; it's just the effect of the fine art of keyhole peeping (it's hard on the noses).

### CAN YOU IMAGINE:

The embarrassment of the Kitchen Krew when they beheld their glorified green speed demon on the knoll in front of Edward's Hall... Jim Hall directing his ardor to one particular phase of the fair sex. (we wonder if he's putting it in reverse from a dark Frosh gal)... Anyone making a smooth exit from the great field of Bell's extras... It has been done... Tobias (get that T O B I A S) Cooper and Simple Simonds lapping up fifteen cokes between them (three on the house) at the Sip 'n' Bite?

### ITEM OF THE WEEK:

"BIG BUCK" TISDALE is on the string again. From some inside information we hear that he keeps the wires pretty hot between the Beanery and Acorn House... Wicked, wicked Frosh.

Clarence King is still pulling that old stall stuff. Walk and like it gals... If you see Red Snider biting his fingernails, don't be alarmed, he's just looking forward to his date for Friday night... Tom Bradley, alias Fida the bloodhound is hot on the trail of Evelyn Peterson... Stick to it, Bradley—time will tell... oops, I mean tell.

### Acknowledgment of Gratitude:

We wonder if Alick Mitchell is getting any results from his nightly telephone CALLS? Mr. Alexander G. Bell (of the telephone Bells) wishes to extend his sincere thanks to Mitch for being the source of one-third of his revenue... Well, searching minds, this winds up another feeble attempt to pacify you scandal mongers. Adewey.

## When My Girl Friend Drives

When the girl friend drives my little bus  
 She throws the gears in something thus:

BLAM! BANG! BRRRRR!!  
 KERBINGO! GRRRRRR!!  
 We crowhop then across the street  
 And amputate a copper's feet  
 And what he says is something neat,

"Oh, have a care," I say to her.  
 She shifts the gear: KERBANG-O! GRRRR!!  
 And tries for high, but slides in low  
 And runs in that a mile or so.  
 At last in third the motor rolls—  
 Peaceful pedestrians climb up poles  
 And children see us, run amuck,  
 And get away—if they have luck,  
 While horses, mules, and dogs and cats  
 Disperse unto their sundry flats.

Down  
 boulevards  
 like  
 this  
 we  
 glide  
 and  
 hit  
 the  
 curb  
 on  
 either  
 side

And drivers glare and coppers swear  
 But the girl friend doesn't care a care.

Soon to the crowded Loop we snoop  
 Where cars are thick as onionsoup,  
 And girlie hits the last in line  
 they get theirs I mine  
 and get and get  
 There And then I turns

 Of course, I go to court next day,  
 But first I drive  
 Straight home  
 This way.

## Campi Coast To Coast

From Chaffey junior college comes this high-brow debut of swing. A 38-piece orchestra, under the direction of the college's regular orchestra instructor, will present the "Swing Parade." The orchestra will be assisted by glee clubs, dancers, and soloists. The music will tend toward the soothing side and not the "hot."

### Concerning Sadie Hawkins at WSC

To make sure that the men will be treated with some respect and not molested too much by the Dogpatch lassies, certain conduct rules have been set down and should be obeyed. First, in all classes Friday, girls will please wait at the door until the men have entered the classroom and are seated. When classes are adjourned girls will remain in their seats until all the boys have left the room. Consequently, skipping classes is prohibited. Second, no cokes will be sold to the men in the Bookstore. They must have a girl to buy their cokes for them. Third, in respect to the boys, co-eds must open all doors of the campus buildings for them. Last, as a means of partial protection, safety islands will be set up at central points on the campus for the men and girls cannot invade these zones.

Washington State Evergreen.

We hear about the Student Legislative assembly from Saint Mary's college in North Carolina. The assembly met at the capitol in Raleigh. About twenty colleges were represented. The bills went first before the house. After an abundance of fiery discussion, they were voted on and sent to the senate. The criticism here was of a more subdued nature. The bills were passed on as recommendations to the national government. Each college was allowed to present a bill. Some of the more interesting were on preventive medicine, taxation of the incomes of federal employees, and on election of cabinet members.

## Ridder Surprised

Was Bill Ridder surprised? Yes, Ridder was surprised when on the event of his twentieth birthday the Collegian staff threw a party, Thursday afternoon, at the print shop of Miller & Sutherland.

Two cakes, with twenty candles each, and ice cream furnished refreshments. "Fat", Miller and "Bear-Hunter" Sutherland chaperoned the surprise party and protected Ridder from the bloodthirsty staff. Miller and Sutherland invited Ridder to a nearby cafe for coffee. When they returned the candles were lit and the strains of "Happy Birthday to You" and "For He's a Jolly Good Fellow" were bursting from the print shop.

## New Faculty Faces For 1939

### First Homecoming For Dr. William Wade Haggard, President

Participating in his first WWC Homecoming is Dr. W. W. Haggard, new Western Washington college president. Coming from Joliet, Illinois, where he was superintendent of Joliet Township Union High School and Junior college, Dr. Haggard, succeeded C. H. Fisher, WWC president since 1924.

President Haggard received his A.B. degree from Maryville college in Tennessee, his A.M. from the University of Michigan, and his Ph.D. from the University of Chicago. He was given an honorary degree of Ed.D. from Maryville college.

In commenting upon the Homecoming plans, Dr. Haggard said: "It seems to me that the purpose of Homecoming is to establish closer contact between the institution and its graduates. Homecoming provides an opportunity for the graduates to return to their alma mater, renewing old friendships, cultivating new ones, and recalling recollections of their college days.

"Also advantageous to the institution, Homecoming helps to make possible the continued allegiance of the school's graduates and former students. This college has a great service to render which requires the help of many people; the school's graduates, scattered throughout the state, are an important determiner of the attitude of the general public.

"Not to be forgotten in considering the more serious elements of Homecoming is the opportunity for graduates and students to enjoy a good time. The efficient planning of the committees, the cordial spirit pervading the school, the high enthusiasm—all have made me look forward to my first WWC Homecoming."

With his friendly, helpful attitude, President Haggard has quietly and unassumingly entered into the life of the college. An active church and club worker, he is always ready to help. Outstanding among his qualities of leadership are his interest in student problems and his fine spirit of cooperation.

### Van Aver - Oregon

Mr. Albert Van Aver, the new English composition instructor, is a graduate of Reed college in Portland, Oregon. Mr. Van Aver did his later studying at Claremont colleges, Claremont, California; State University of Iowa, and the University of Washington. He has taught at both the University of Oregon and Southern Oregon normal. He is now working on his Ph.D. degree.

Mr. Van Aver's picture was unavailable at time of publication.

### Kentuckian Coleman

Henry E. Coleman, Lexington, Kentucky, has replaced Charles Butler as reference librarian of WWC. Mr. Butler is now library head at Charleston, S. C.

Mr. Coleman received his degree of bachelor of arts from Centre college, Kentucky; degree of master of arts from the University of Carolina; degree of bachelor of science in library science from the University of Illinois; and his degree of master of arts in library science from the University of Michigan in 1939.

He gained his experience at Northwestern university library in Evanston, Illinois, and at the University of Iowa.

### Ohioan Woodring

Dr. Paul Woodring was born in a small town in Ohio where he completed his elementary and high school education. He obtained his degree of bachelor of arts from State Teachers college at Bowling Green, Ohio and his degree of master of arts and degree of doctor of philosophy from Ohio State. Before coming to WWC he was employed as clinical psychologist in Detroit.

## Hopper Announces Appointments

Twenty-six appointments of 1939 June graduates to teaching positions have been announced by Miss Elizabeth Hopper of the Appointment bureau. The list consists of: Ernest Hemingson, grades 7-8, McCleary; Ruth Morley, grade 4 and music, Aberdeen; Roberta Thygeson, grades 5-6, Lake City school; Jeff Tesreau, grades 7-8 and athletics, Mary K. Knight; Charlene Mautz, grade 2, Meridian school; Nina M. Pickett, grade 3, Clear Lake.

Further appointments include: Margaret Pattersin, grade 2, Carnation; Wallace Gregory, grades 7-8, and principal, North Bellingham; Helen G. Masters, grades 4-6, South Prairie; Mildred McConaughy, grade 6, Ferndale; Katherine Korthauer, grade 2, Prosser; Richard Hudson, junior high school, social science, Forks; Kathleen Cronin, opportunity room, Ilwaco.

More appointments were: Hallie Rupp, Sinclair island; Wilton Poolman, upper grades and coaching, Granite Falls; Russell Eyer, departments and grades 5-8, Burlington; Robert Roland, mathematics, junior high school, Forks; Helen Williams, English, Raymond; Bertha Hall, grades 1-4, Green Mountain school.

Completing the list are: Elsie Piggor, grade 1, Stanwood; Christine Rindal, grades 1-4, Norman; Lucille Dunlap, grade 5, Adna; Helen M. Davis, grades 5-6, Cathcart school; Betty Jane Linney, grade 1, Pe Ell; Jayne Hall, corrective speech, Seattle; Mildred Aust, grade 4, Ryderwood.

## WWC Airplanes Promising

Recent addition to the school which is of interest to old grads and new students, is the campus radio studio. Located high in the building on the third floor, and at present still sharing the room with the typewriters, it has been equipped with the latest radio apparatus.

Installation of the equipment took place under the direction of E. P. Smith, instructor in the radio department. The room is soundproofed with Quietile. Latest thing in microphone is the up-to-date triple-purpose RCA mike, capable of accommodating voices from one side, two sides, or all around it. Before the release of this model, three separate microphones were necessary.

Another piece of interesting equipment is the volume indicator located in the control room. A small needle fluctuates with the volume of the voice, enabling the person broadcasting to regulate his voice by his position.

Only regular broadcast from the school at the present time is the newscast of the WWC Collegian on Thursday nights at 9:15 o'clock. Special broadcasts have included a round-table discussion concerning National Education week, student employment bureau interviews, and Homecoming programs. All broadcasts are released through direct wire to station KVOS, an affiliate of Mutual Broadcasting system. KVOS is owned and operated by Rogan Jones.

### Californian Powers

"Art is life," says Miss Madelon Powers, most recent addition to the Art department at WWC, who had been assistant in the Fine Arts department of Columbia university where she received her degree.

Miss Powers is keenly interested in the affairs of the school's art department, but wishes a much broader field in which to experiment with art exhibits, production and stage scenery.

### Brewer - Arizonaian

Lyle Brewer, newest member of the science faculty. Started out to be a lawyer, but changed his mind. Began his higher education in Arizona Teachers' college. Taught in a high school at Tombstone, Arizona. Came directly to WWC from Columbia University, where he was working for his doctor's degree.

## A Moment In Retrospection

**FORTY YEARS AGO**  
Although Whatcom Normal has been completed for four years this is the first year that it has been open . . . The first president is Dr. E. T. Mathes and under him are seven teachers . . . This year's students are 238 in number . . . There are 1420 volumes in the library and a reserve fund of \$400.

**THIRTY YEARS AGO**  
The student body officers this year are: President, Tillie H. Henry; Ethel Revelle; sergeant-at-arms, Ray Smith. Out of a class of forty graduating students Ray Smith is the only boy.

**TWENTY YEARS AGO**  
Because of the war the men are even fewer this year than ever before for which reason there will be no football team this year . . . In place of Smith Carlton, who has enlisted in the army, Albert Booman was chosen president of the student body . . . "The Lion and the Mouse" is the play to be put on by the Senior class . . . The feminine lead will be taken by Myrtle Rugsley while the male lead will be taken by C. R. Holbrook, senior class president. Although football was disbanded, basketball has been continued with a fairly successful year.

**FIFTEEN YEARS AGO**  
Bellingham Normal hoopsters claim the title of champions of the Western Normals . . . Dr. Miller has accepted a position with Stanford university . . . Mrs. Carl M. Irish was selected as editor of the Messenger for the third quarter . . . "W" club to present big vaudeville show on April 20 . . . Alumni banquet scheduled for May 26 . . . Mr. Fisher follows Dr. Waldo as president of the Bellingham Normal . . . Maurice Thomas was elected president of the student body for the next quarter . . . Mable Hickson, nominated by the Normal students, was selected as the Tulip Queen this year . . . Adele Jones was appointed dean of women.

**TEN YEARS AGO**  
Bellingham was defeated by Cheney in their fifth annual HOMECOMING game . . . Name of school paper changed from "The Weekly Messenger" to "The Northwest Viking" . . . New library building dedicated June 6 . . . Dr. Frank Salisbury, head of the research department, accepts position at Ohio university . . . Men's Glee club organized for first time . . . Governor makes investigation of proposed Normal physical education building . . . Board re-elects President C. H. Fisher for three years . . . Henry Turner chosen president of Interclub Council.

**FIVE YEARS AGO**  
In '34 Nils Bosen drives 3600 miles from Massachusetts to become new head of Music department (Oct. 12) . . . Fall quarter registration of Washington State Normal at Bellingham exceeds the enrollment of previous year by 18 per cent, 700 persons being enrolled . . . Drama club is to be molded into a course next quarter (May 11) . . . Otto Finley voted most popular man (Feb. 9) . . . Board votes golf a major sport (Feb. 16) . . . Ann Matheson and Boyd Swanson have leads in "Taming of the Shrew" (Feb. 23) . . . Art Bagley is chosen as inspirational athlete of 1934.

**1935**  
In '35 Money granted for PE building by state legislature at first of year . . . Construction started last days in December . . . Clause added to constitution specifying one woman rep on Board of Control . . . Northwest Viking, edited by Julius Dornblut Jr., won All-American rating . . . Talk began this year concerning Board of Publications, Senior Honor Court, changing the school's name and also the school's lake property, then called Normalstad.

**1936**  
In '36, three years ago, Homecoming was duly celebrated when the gymnasium was dedicated by Gov. Clarence D. Martin . . . ex-President C. H. Fisher was acting toastmaster . . . Miss Florence Lund was elected as student body prexy . . . something unheard of in the past few years . . . James Bever, dean of men, was fatally injured and passed away on September 2 . . . Homecoming is the greatest feature of the year . . . For years Grads have come back to their "Alma Mammy" to revive old and to build new memories . . . Last year's Homecoming was very successful . . . Starting on November 18 and gradually building up to the finale on November 20 . . . The serpentine and bonfire present the enthusiasm of the students . . . In fact, to the fighting pitch . . . Just try to light the fire beforehand and you'll see . . . Don't say we didn't warn you . . . Queen Sigrid II will rule over the present Homecoming but last year's queen, Betty Shay, played the part very nicely . . . Even though the Governor didn't give her his usual kiss . . . Lappy predicted the victory over the Cheney Savages . . . Can he do so again . . . His teams have won 4 out of 6 games against the Wildcats . . . Why not another one? . . . Homecoming displays were scarce . . . This year there is an attempt for better and more displays . . . Don't fail to see them, they're for your benefit . . . Assemblies held for the event are very interesting . . . Each house or club is urgently asked to participate in these and to present an act or some short skit . . . Believe it or not WWC has talent . . . See the Homecoming assembly . . . The climax of the gala affair was staged at the Armory . . . Here, more than any other place, the grads and students mix . . . Come one, Come all . . . Students and grads get together . . . You'll soon be a grad . . . Then what?

### WITH THE WAA

**BREAKFAST HIKE**  
By Melba Mayhew  
A hike with the chairman home sleeping? That's what it was last Saturday when fifteen outing clubbers marched to the rocks for an early breakfast. Only, when they reached their destination expecting to meet a fire and coffee—it, too, was out to breakfast. Anyway, they gathered wet sticks, and by 9:30 were sizzling the bacon. Everyone had a jolly good time, and an even better time roasting Armstrong afterward.

### FOLK DANCING

The trippers learned a new kind of Schottische step this Monday, and reviewed what they had learned previously. Folk dancers gather each Monday at 7:30 in the big gym under the guidance of Miss Hawke. The club has a whale of an attendance, and is really on its way up.

### VOLLEYBALL

Scheduled games were completed this Tuesday when the Independents taught a 39 to 32 lesson to the Carstens - Turners. The percents add up, leaving Town the victors—no spoils. We might mention that the Town Team includes Audrene Feldt, Leda Pontius, D. Hubert, Manager Balch, and Me Mayhew. Just general turnouts will be tried on Tuesday and Thursday nights, so keep on coming out and having a little fun.

### BRITISH COLUMBIA TRIP

About fifteen WAA'ers will journey by auto to the University of British Columbia at Vancouver next Saturday, November 25. They will play volleyball and badminton, lunch and have tea in the afternoon. It is regrettable that people going home for Thanksgiving will miss the trip, but the Canadians were unable to alter the date.

### BLUE BARNACLES

Back strokes were timed and water polo played at the Barnacles' Monday night meet. The purpose of timing strokes is to increase speed and skill. Next week a committee headed by Polly Phelps, Jo Needham, and Bernice Monson will present some novelty and stunt numbers. Eileen Johnson reminds you that too few girls are swimming during Tuesday and Thursday open hours from 4 to 5. Why not take her up, kids—allergic to water?

### HOMECOMING LUNCHEON

As traditional, WAA has a table reserved at the HOMECOMING luncheon. WAA alumni for the last five years have been invited to join the group of us younger crop. Older members will be entertained on Saturday morn in the PE building where the pool will be open, and courts will be up. Present students can play, too.

### CABINET MEETING

Regular twice - monthly cabinet meeting was held this Wednesday. The B. C. trip was discussed; HOMECOMING luncheon was publicized; members were urged to march en masse in the serpentine, and Lola Bates was officially declared general chairwoman of the banquet of December 5. Committees for said feast will be posted soon, so watch the WAA bulletin board for further news.

## Buffet Supper Given Saturday; Birthday Dinners Held

Girls of Edens hall have candlelight dinner... Ragan hall girls sponsor AWS tea... Bellingham students give surprise birthday party... Dorm girls and girls living at organized houses entertain out-of-town guests... Buffet supper held after AWS Informal.

### Edens Hall

At a candlelight dinner last Wednesday evening the entertainment was provided by Marjorie Jones, Anita Fuller, Caroline Kluth, Alice McGee, Mary Sue Fisher, Lois Smith, and Marie Easley.

### Ragan's Hall

Ragan hall girls gave the AWS tea Thursday, November 9. Miss Marjorie Beck, house president, poured in the absence of Mrs. Ragan, house mother. Miss Beck was assisted by other members of the house.

A dinner party was held last night in honor of Betty Wall's birthday. Those attending were Margaret Gorman, Genevieve Elliott, Nancy Pat Cooper, Betty Rusher, Miss Stella Hanke, and the guest-of-honor.

### Town News

Lois Hilby was the honor guest at a surprise birthday party Sunday night at her home. Those present were: Geraldine Olsen, Peggy Jo Smith, Eileen Rutledge, Bernice Monson, Justin Simonson, Al Biggs, Stan Targus, Jim Hall, and Jim Goodrich. Various games were the entertainment for the evening.

A special HOMECOMING social will be given Sunday evening at 5:15 p. m. by the Wesley Foundation in the recreation room of the Garden Street Methodist church. All WWC students and grads are invited.

## Grad Announces Engagement

Announcement has been received of the engagement of Arlene Foster, '38, of Athena, Oregon, to Vern Leidle, '38, of Herried, South Dakota. They are to be married next August at Miss Foster's home in Oregon. For their honeymoon they plan to go to Havana, Cuba, to visit Mr. Leidle's relatives.

Miss Foster is now teaching in a small town near Vancouver, Wash., and Mr. Leidle is teaching in Anacortes.

## Plympton Speaks

Miss Hazel Plympton, WWC Art department instructor, spoke Wednesday morning at the Bellingham Woman's Music club, which met at the Leopold hotel.

"Music and Painting" was the program scheduled, for which Miss Plympton gave an illustrated talk on the various schools of painting as compared with corresponding styles of musical composition.

Guests at the buffet supper held at Helen Trickey's home on South Forest street after the AWS Informal last Saturday were: Geri Gildersleeve, Carolyn Kuhn, Louise Leitner, Nancy Burnham, Beth Teichroew, Helen Trickey, Tommy Bradley, Wayne Weber, Lyle Pettijohn, Ben Hudson, Bob Brockway, and Larry Flynn.

### Faculty News

H. C. Philippi, head of the science department, spoke to the Whatcom County Principals' league, which met Monday evening in the Lynden Methodist church. His topic was "Science in Everyday Life."

Monday evening, Miss Florence Johnson, dean of women, was the speaker at the meeting of Chapter AP, P. E. O. society. Her talk was a narration of her experiences and impressions while traveling this last summer in Russia, Poland and the Scandinavian countries.

La Beta Smart, former WWC student now teaching at Auburn, will be the guest of Mrs. Mae Lovegren, of the extension department, during HOMECOMING.

## International Club Initiates Members

At a meeting of the International Relations club Monday, November 15, in the Edens hall club room, thirty new members were initiated. Fred McHenry, president, presided as chairman.

During the business session, which followed, further plans were made for a banquet to be held November 29, at the China cafe. Robert Eastman was elected club reporter.

Ten new books, which arrived this week, will be placed in the social science office. These books are a courtesy from the Carnegie endowment for International peace.

## Scepter and Shield To Be Tri-Chi

In the Edens hall club room the Scepter and Shield met Tuesday evening, November 14, with Priscilla Newquist, chairman, and Edna Cowles, secretary.

At the meeting, a new name Chi Chi Chi was accepted to replace Scepter and Shield, which was not considered explanatory of the club's activities. The three "C's" stand for "character, camping, and comradeship." Tri-Chi will be the informal name for the club.

## STUDENT PROFS SAY:

Passing in panorama before our eyes this week have been a number of things. Half of the junior high pupils gathered together for a choral lesson which reviewed in part the songs that will be featured at next week's Thanksgiving Festival.

We saw the fourth grade engrossed in the study of early Bellingham days, with particular emphasis for that day on the method by which early settlers made soap. This study of Bellingham's history also contrasts the earlier way of doing things with the present.

In a few minutes of our leisure time we inspected all the issues, to date, of the ninth grade's own weekly, Junior Beacon and were impressed with the progress made by them in their journalistic style.

## Ski Patrol Needs New Members

Henry Reasoner, secretary of the Mount Baker Ski Patrol, announced Wednesday that new members are needed for the patrol. Membership is open to all men 21 years of age, who have qualified for the American Red Cross First Aid card. Exceptional ski ability is not necessary.

A standard first aid class which will last two months is now starting. The first meeting will be held next Monday evening, and students interested in joining the patrol should sign the list of prospective members in the Co-op.

The Ski Patrol is a volunteer organization, its members receiving no compensation for their services. Its purpose is to promote safe enjoyment of winter sports at Mount Baker, and to give first aid and assistance in case of accident.

## Club Assists At Tea

Members of the WWC Art club assisted Miss Hazel Plympton, art instructor, at an official opening tea, Friday, November 10, from 8 to 10, at the Museum of Arts. Miss Helen Loggie, local artist, helped to arrange the display, which according to Miss Plympton is as good as any exhibit appearing on the west coast.

A preview of the Campus school's traditional Thanksgiving Festival shows that Ialeen Allison student teacher in the kindergarten, who is working for her degree this year, is the goddess chosen to reign over the festival.

This Thanksgiving Festival, which will be held at 10 o'clock next Wednesday morning, will have as its participants all the children of the Campus school, from the tiniest tot to the most mature ninth grader. Everyone will bring gifts of food and money, which will go to make other children happy. The main speaking parts will be taken by the children of the eighth grade.

We'll see you at the festival.

## Alkisiahs Hear Art Student

Alkisiah club members met Monday evening in Edens hall club room to hold a short business and social meeting. Herbert Brodahl, WWC art student, was guest speaker. He gave a talk on art, the meaning of art, and how it affects people. He illustrated his speech with some of his own paintings.

Because of the large number of girls who wish to belong to Alkisiah it was decided to change the number of club members from fifty to sixty. A discussion followed concerning the distribution of Christmas baskets to needy families. Everyone would make some contribution towards the basket.

Plans for the annual Alkisiah Christmas party were discussed and the date was set for December 11. It will be held in the Edens hall Blue room. The meeting concluded with group singing.

## Shaw Club Subject

Vanadis Bragi will meet November 20, in the Edens hall club room, at 7:30. A program on the works of George Bernard Shaw has been arranged. Books to be reviewed are: Man and Superman, Betty Moser; Back to Methusalem, Jane Elton; Saint Joan, Yvonne Konnerup, and Candida, Cleon Butz.

little things . . .

Al Biggs

Tomorrow, nine Viking athletes pull on their moleskins for the last time. We're going to feel a twinge of nostalgia when the final gun sounds tomorrow and rings the college football curtain down on Russ Davis, Howard Jones, Bob Tisdale, Vaughn Weber, Don Bell, Al Munkres, Jim Miller, Link Sarles, and Jay Flanagan.

Rugged RUSS DAVIS, the cheezebox, for four years has been plugging holes in the Viking line center. Cheezy, a Mount Vernon boy, has been all-WIC conference for the last two years and seems slated for the laurels again.

Slippery, slithering HOWARD JONES, has snakehipped his way through enemy secondaries for three years for WWC. The Babe also spent one year playing for the University Frosh and played for the Renton team in the Northwest league.

Big Buck, BOB TISDALE, is the last of the three Valley giant-killers in WWC. Russ Eyer, Johnny Rosentangle, and Buck were on that famous Valley basketball quint that trimmed all the big state highs to take the state championship in 1936.

The Big Boy, VAUGHN WEBER, also is finishing a triumvirate of years for the Vikings after a frosh year at St. Martins. Vaughn started as center and last year switched to tackle where he continued this year.

Duck Bill, DON BELL, another of the three-year veterans, despite a shaky left knee, will open tomorrow at left end. Don leads the Vikings in touchdowns this year, having tallied 26 points on end-arounds, pass completions, and conversions.

Pinky AL MUNKRES, also played for University of Washington Frosh and then transferred to the Vikings. Never big enough for power plays, Al's specialty is a reverse off-tackle with which he has picked up lots of yards.

JIM MILLER played for the Vikings in 1935 and then disappeared until this season, when he turned up as the starting center. A big boy, James will open at tackle tomorrow in Lappy's effort to patch up the battered Norse line.

LINK SARLES came a long way to play football for the Vikings, hailing from Mamaroneck, New York. It was Sarles' pass to Bell that downed the Savages last year and gave the Vikings the conference championship and an undefeated season.

JAY FLANAGAN too, will pack No. 41 out on the field for the last time for the Vikings. And a little item that we've kept from the society editor for a month now. Jay is joining the ranks of the married men Saturday after the game.

And there you have them, nine graduating football players. And it wouldn't be a bad idea at all for all of us fans to express our appreciation of the fine play that these fellows have turned in in the past when they leave the field tomorrow. They really deserve an ovation.

GIBBERINS GLEANE

We heard from our best source of Grays Harbor information, Roy Franko, who knows all in Harbor athletedom, that Bob Miller, of Hoquiam, starting quarterback for the Wildcats, is a pretty good bet to watch tomorrow. All the cripples except Bromley will be ready to go against Ellensburg but it's a taped and braced gang that meets the Cats.

Here is that Little All-Northwest team picked by the sports editors of sixteen colleges and also by metropolitan paper's sports editors. We cast our votes on the teams we've seen in action, but it looks like the Northwest conference outvoted us.

Table with two columns: First Team and Second Team. Lists names and abbreviations for various players and teams.

In the locker room before the game tomorrow! Michigan Coach Herb Crisler was confident. His men were jubilant as they awaited the opening whistle.

Instantly a pall of gloom and ominous quiet settled over the place. You could have heard a truck drop. Crisler moaned, placed his head in his hands, and whimpered.

Why Herb! Is that gratitude for me picking you to beat old Pennsylvania by 7 points?

OSC 19, California 0, and so the Beavers continue. The only blackout in America. UCLA 14, Santa Clara 0. . . . Billy Sewell is a jewel, Stanford Indian is behind again, WSC 13, Stanford 7. . . . Gonzaga cannonades Canadeo at Cheney and another Redskins bit the dust. . . . Zags 19, Cheney 13.

Only one thing remains to put the Ellensburg game in the bag for Lappy. We pick the Cats to win 7-6. And don't say we never did nothing for you, Lapp.

Weaving Wilky

Walt Wilkinson is playing his first year in the Viking backfield. Last year, Wilky was off to a good start when an injury cut him low for the entire season.

Forfeit Games In B League

This week in the "B" league play was marred by two forfeit games out of three scheduled games when this went to print. The Chinooks, leaders of the league with four wins and no losses, won their fifth game over the Cormier court quintet by a forfeit.

Lettermen Discuss Assembly Skit

Discussion of a skit for HOME-COMING was the main topic of two W club meetings held Friday, November 10, and Tuesday, November 14. The initiation of new members has been postponed; old-fashioned ideas of initiation have been discarded and replaced by a banquet.

Castle Wins, Loses Pair of Games

Though Westmoreland ranks fourth in the high scoring league, he didn't ring up enough counters in the Berries-Castle game to overcome the early lead taken by Berries. Louis "Spunky" Geri, bouncing atom, did most of the hustling for Berries and shared high scoring with Westmoreland with 13 points each.

Table showing scores for Berries and Castle in various games, listing names like Miller, Geri, Ellis, Carr, Hollingsworth, Kinderman, and Gerry.

The Castle five dropped a hard battle to Dombroski and Harris of Daniels hall. The combined score of these two lads was 31 points, with their team lending plenty of support with a total of 3 points: or was it much support? Kenney Johnson, the little lad from PLC, hasn't hit his stride this season but anticipates starting a game sometime in the near future.

Table showing scores for Castle and Daniels in various games, listing names like McAulay, Dombroski, Mitchell, Brenner, Bond, Harris, and Leach.

Collegian Clips Court in Game

The Collegians return. They beat the Cormier court quintet, 29 to 27, last week. Although the reporters barely eked out this win, Coach "Smiley" Hall is confident of coming improvement for his team. Against the Cormier boys, Stan Targus scored 14 points for the newspapermen and Gershak and Newson led the losers with 12 and 9 points, respectively.

Table showing scores for Collegians and Cormier Court in various games, listing names like Miner, Gershak, Davy, Hall, Targus, Mollan, and Smith.

Larson of Aberdeen

Aberdeen boys that Nick enticed away from the Grays Harbor. He weighs 185 pounds and pushes the clouds back for six plus feet. This is his second year for the Cats.

Miller Old Timer

Jim Miller, pictured above, is an old timer to the Vikings although this is only his second year with the squad. He played football for WWC in 1934 and has come back with flying colors this year.

Reeds Rout Rangers Thursday, 51-10

Al Biggs' Reeds won their third game of the league race by taking a 51 to 10 whitewash over the lowly Rangers. The Rangers at no time in the game gave the Reeds any trouble, since the Biggs boys lead 21 to 4 at the half. Roberts and Canterbury, the only Rangers to score with 6 and 4 points respectively, were the "Lone Rangers" of the losers.

Table showing scores for Reeds and Rangers in various games, listing names like Weber, Bradley, Shelton, Schweingru, Webster, and Lahti.

Philberts For Sale This Week-End

"This year's HOME-COMING booklet, 'Philbert's Pnoothball Pnoothology,' will be larger, more colorful and better than all previous editions," said Bill Ridder, editor of the Collegian, when questioned about the book.

The book has 51 pictures, 21 more than last year's, and contains football statistics of both Ellensburg and the Vikings in regard to height, weight, scoring of individual players and conference results in general. The booklet has 28 pages of catchy copy and is printed on gazepaper magazine-style paper.

Other members of the booklet committee are: Stewart McLeod, business manager; Felix Montes, advertising manager; Al Biggs, sports editor.

Goody Goodman

Al Goodman, again will visit the scene of the OWC defeat of 1937, when he was in his first year with the Wildcats. Goodman is a pretty good man and the Viking backfield probably will see much of him. He is from Chehalis.

MURAL MADNESS

By Smiley Hall

With the first half of the intramural twine snapping dervish going into its near-final stage, we find the All-Americans in the 'A' league and the Chinooks in the Junior league still setting their killing pace, with five wins and no losses each.

Too bad the girders have to be in the gym. Stan Targus' skyscraping shots would have had more effect, but as it was every other effort was rudely deflected by an unruly beam; thus our flying Polack could account for only 20 points in the game Monday night against the rampaging Chinooks.

Playing traitor to their own house, Schweingruber and Day Williams in an effort to play on a winning team, are doing all right, but look what could have happened if they had stayed at home. Little did they know that one son of Snoqualmie, now a Manorette, would turn out to be third highest scorer of the 'B' league. Combining his efforts with theirs ought to have given them just about what they were after.

Norm Dahl's Shack team came out on the long end of a forfeit game again—they'll pick them up some way.

Apology to Berries. Apologizing for last week's errors—the Berries, instead of the up and coming champs, All-Americans, were the champs in the 'A' league last year. Also, Bob Page is not manager of the Chinooks, but one Walt Baker.

Flash! Reeds beat Viking Manor 28 to 21 last Tuesday afternoon. Fourth win for Biggs' team to move them to second place ahead of the Kitchen Krew.

As they did last year, and as they did the year before, the jolly Collegians are going to have to start building character again. They're anticipating their place in the second half.

Louis Geri, besides canning a total of 13 points to lead the Berries to a 33-0 decision over the Castle Rats, was elected president of the city basketball league—more power to you, Louis!

Castles Defeat Edwards Hall

In a featured game of the "A" league this week George Albee's All-Americans beat the Berries, 25 to 14, in the lowest score the All-Americans have been held to so far this season.

Also in the "A" league, Castles beat Edwards, 35 to 19, after trailing at the half, 13 to 7. The Castellers, however, came back strong in the second half to run away from their less fortunate rivals, who were checked to a mere six points in the last half. Westmoreland led the Castles with 14 markers and Anderson gathered 6 for the losers.

Table showing scores for Castles and Edwards Hall in various games, listing names like Dolan, DeVries, Helm, Lomsdale, Albee, Targus, Kvan, Stinetti, J. Moses, E. Moses, Landon, Lapinski, Evich, Tisdale, and others.

Norse Crippled By Injuries; Lineup Patched

Miller, Bromley, Weber, Jones All Bothered by Injured Gams; Cats Strong

Before what promises to be one of the largest HOME-COMING crowds in the history of the school, the Western Washington Vikings will square off with a powerful Ellensburg Wildcat eleven November 19. The fracas is slated to get under way at 2:00 p. m. at Battersby field.

Coach Worried. One headache which is supplying Coach Lappenbusch plenty of worry is the task of filling the gap at tackle left by Bromley, who was announced as being definitely out of the coming encounter. The Viking mentor is grooming Miller for the post and plans to shift Hollingsworth to the center position.

The Ellensburg squad boasts one of the most powerful teams in the conference this year. They have but one setback registered against them; Cheney downed them 7-0 as a result of a blocked kick. Their victories total five and they are determined to make the Vikings No. 6. One factor that will elevate their victory hopes, is the outstanding work of their star back, Neander. The Wildcat ace has ripped off huge gains through the defensive teams this fall, and has curled their hair many times with his spectacular punt returns.

Norm Dahl's Shack team came out on the long end of a forfeit game again—they'll pick them up some way. Apology to Berries. Apologizing for last week's errors—the Berries, instead of the up and coming champs, All-Americans, were the champs in the 'A' league last year.

There are nine Viking stalwarts who will be pulling on their blue and white grid togs for the last time Saturday. They are Howard Jones, Vaughn Weber, Al Munkres, Jim Miller, Don Bell, Bob Tisdale, Link Sarles, Russ Davis, and Jay Flanagan.

Ye Olde Record Gives EWC Edge

In the fall of 1922 the Bellingham and Ellensburg football teams clashed for the first time, and since that time it has been a traditional game. The Vikings dropped their first game to the Wildcats, but for the next two years they trounced the Wildcats and won the Tri-Normal championship.

For the next nine years Ellensburg won their games from the Vikings, and also annexed the championship for the last six seasons of the mentioned nine. The scores of the games were: 13-9, 12-6, 12-0, 6-0, 26-0, and 6-0.

Coach Sam Carver handled the squad during the season of 1922, and was replaced by Edwood Davis during the season of 1923. Coach Carver returned in 1924, and coached until the season of 1933 when Coach "Chuck" Lappenbusch took over the reign of the Vikings. Since "Lappy" has taken over, his team has won four games and lost two, the Wildcats winning in 1933, and in 1936.
