ESTABLISHED 1908

C. C. BAUGHMAN, MANAGER

BELLINGHAM, WASHINGTON

March 26, 1923

Board Of Control  
Students Association

Honorable Board:

I would like to call your attention to a matter of \$20.20 interest charges which was deducted from the \$1000.00 loan secured recently. This has no doubt escaped your attention but would like to be refunded this amount so my books will show a proper record of the matter.

I would also like a written copy of your recent instructions regarding the disposition of the assets and profits of the store. If I am to dispose of old and slow moving stock as quickly as possible and turn over to the Students Association all profits it will mean that the showing I will be able to make this year will not compare very favorable with former years. As I am running this store among other things to make a reputation for myself, I feel that I should have something other than oral instructions. Besides it is not just clear in my mind as to what I am to do and would like these instructions in writing so I may follow them as nearly as possible.

Respectfully yours,

*C. C. Baughman*

Manager Normal Book Store.
