

April 2, 1947

The meeting was called to order at four-ten by Don Packard. The minutes were read and approved.

In accordance with the ASB constitution, Donna Redmond, as student representative from the Board of Control, will act as the chairman of the Co-op Board.

Don Packard welcomed Gloria Carey and Ted Gary, new members on the Board.

The subject of naming the P.E. building came up again, and Don Packard reported that Dr. Haggard was not in favor of it. Miss Kangley suggested ^{sub}mitting the idea to the P.E. Department and asking for their opinion.

After meeting with Dr. Haggard, Don Packard reported that blacktopping ^{of the parking lot} will take place as soon as the good spring weather arrives.

As a result of this meeting, Don also reported that if Mr. Hoppe will submit a requisition to Dr. Haggard, his requested supplies will be provided by the school funds instead of from ASB funds.

There was discussion concerning the possibility of using the basement of the future music building for a new student lounge, and Dr. D'Andrea was favorable to the plan.

Dr. D'Andrea attended the meeting to represent the Pep Band to find out if they are to ^{play} spring quarter on the same contract as before, that is, playing at rec hours to earn their sweaters. They want to be released from their obligation in order to get paying jobs on Friday nights. Jim Sanford and Gloria Carey will meet with the Pep Band next Monday at four o' clock to discuss possibilities in reaching an agreement suitable to both parties. They will report at next week's Board meeting.

Dr. D'Andrea requested an appropriation of \$2500 to be used for the purchase of fifty new band uniforms. In the discussion that followed it was agreed that the new uniforms are really needed, but the problem was where to get the money. It was suggested that benefits be put on by the music department, but Dr. D'Andrea said that there is not enough personnel, talent, etc., in the department to do this now. Another suggestion was that the G.I. fund might be used if enough veterans were being benefitted. Don Packard will look over the budget and see what can be done about it.

Plans for the sports banquet are progressing well under the co-chairmen, Georgia Driver and Monty Jones. The banquet will take place at six-thirty on May 29, in Edens Hall, and will be followed by a rec hour.

Lee Thomas and Jack Driver are the Campus Day co-chairmen. Campus Day has been set for May 21.

The list from Coach McDonald of the eleven basketball players to be awarded lettermen sweaters was accepted.

APRIL 2, 1947 CONTINUED

The following men's names were on the list: Bob Erickson, Tom Ross, Bob Clements, Tom Green, Mitchell Kink, Larry Gayda, Hugh Ryan, Larry Slovek, Charles Borden, Ronald Anderson, and Joe Borék.

A discussion arose concerning the payment of a salary to the ASB president here since this is customary in other schools. No decision was reached.

Notices will appear in the bulletin this week concerning applications for lounge manager, Board Secretary, and Navigator editor.

Monty Jones was appointed editor of the WWColegian since he was formerly co-editor with Warren Beecroft who has withdrawn from school.

Don Packard will see the supervisors in the Junior High school since a "keep off the grass" campaign should be sponsored at this time.

Don Brown reported that publicity for the coming election is very important since the ASB president and vice-president will be elected. To stimulate interest, the publicity campaign will begin two weeks prior to the nominating convention. Don Brown will look into the student assembly dates to insert this into the program. Voting machines will be used in this election and should encourage voting. It was suggested that tags could be given at time of voting to publicize it even more.

The meeting adjourned at five-forty.

Patricia Loomis, Secretary.

April 9, 1947

The meeting was called to order at four-ten by Don Packard. The minutes were read, corrected, and approved.

The new member of the Board, Shirley Lindstrom was welcomed.

Gloria Carey turned in the Homecoming committee reports, and Don Packard read aloud the general report containing suggestions for next year.

After meeting with the Pep Band, Gloria Carey reported that they will provide a six piece band for the three scheduled rec hours, if given plenty of advance notice as to the date. They will be paid seven dollars apiece for their services.

Mr. Carver reported on the changes which have been inserted in the By-Laws concerned with athletic awards in the ASB constitution. On Dr. Cederstrom's suggestion, the by-laws were re-written to improve the style of writing, but no major changes were made. A motion was carried that the By-Laws of the ASB Constitution concerned with awards be accepted as corrected.

Dr. Kangley has talked with Mr. Buchanan, and she suggested that the ASB President be paid a salary and then maintain office hours in order to relieve the business office of extra work involved in locating the President for signing requisitions, etc. This subject will be taken up again later.

After investigating records in the business office, Don Packard read a summary of student body finances for the entire year. In view of our financial standing, the purchase of new band uniforms will be impossible without much additional help. Improvement of the college property at Lakewood is something that should be worked on soon. There will be delay in the improvement of the cabin at Mt. Baker until the new road has been built. There is a definite necessity to develop new sources of income. One suggestion was that the fees be raised, but this idea did not meet with the Board's approval since our fees are already ahead of those at Ellensburg and Cheney now. Another suggestion was that we should get ten dollars ^{each quarter} from the fees of each G.I. in school since the veterans are benefitting from the expenditures of the ASB funds. Don Packard appointed a committee to meet with Dr. Haggard to see about getting funds in the form of a regular income from the business office. Jim Sanford will head this committee, and working with him will be Gloria Carey and Ted Gary.

Applications were read for the positions available, and the following were selected:

Editor of the Navigator: Bob Dickson
Secretary of the Board: Patricia Loomis
Student Lounge Manager: George Burton

Don Brown reports that a decided improvement in the appearance of the lounge has been evident since George Burton took over the managership. The new nick~~el~~odian will pay for itself in about a year's time if it continues to bring in money at the present rate.

April 9, 1947, continued

I It was decided that all on the Board of Control, WWCollegian, and Klipsun who have earned pins and desire to have them, will be awarded them. The motion was carried to accept the list of seven people for pins which was submitted by the Klipsun.

At the meeting next week we will hear the reports from the Co-op Board, Sports Banquet, and Campus Day chairmen. Jim Sanford and Laverne Brockmeir, as co-chairmen, will discuss the election proceedings.

The meeting adjourned at five-forty.

Patricia Loomis, secretary.

April 16, 1947

The meeting was called to order at 4:15 by Don Packard, and the minutes were read and approved.

Jack Driver reported on the progress of plans for Campus Day. The desirability of having a pie-eating contest was questioned because of the resulting unfavorable publicity last year. As estimated now the total expenditure will be approximately \$135. Jack's plans are coming along fine, and he will keep us informed of his progress.

The election proceedings were discussed while Don Brown was present, and the results of the election of nominees for the ASB and Board of Control were as follows:

ASB President: Wade Haggard

ASB V. President: Ted Gary

Four quarter woman: Meredith Hess

" " " or man: Sterling Brand

Delegates to the nominating convention: Don Packard

We discussed the possibility of the school buying bicycles for rental to the students, especially during the summer. There will soon be a sale of surplus bikes in Seattle. If we do buy some bicycles, it will be necessary to find a place for keeping them and also someone to take care of them. This idea was discussed last spring, but at that time, no bicycles were available. We need to expand our recreational program, and the Board is in favor of this project, so Don Packard will look into it.

In an informal discussion, it was suggested that more pencil sharpeners, ink stands, and drinking fountains are needed in the building. There was also discussion on getting reduced rates on bus tokens and special theatre admission rates. Baby sitting organizations, such as a nursery sponsored by the home economics department were discussed, too, but no action will be taken now.

It was decided that the WWColegian awards of pins will be made to those people who have served two quarters with credit and two quarters without credit.

The meeting adjourned at five-twenty-five.

Patricia Loomis, secretary

April 23, 1947

Don Packard called the meeting to order at four-ten, and the minutes were read and approved.

Monty Jones was present at the meeting to request money for the purpose of publishing a special edition of the WWColegian to publicize the election. A motion was passed to underwrite the Colegian for this special edition.

Miss Kangley again suggested the system of paying the student body president a salary to keep regular office hours to sign requisitions, etc., for the convenience of the business office.

There was a discussion concerning the legality of petitions in selecting candidates for elections as prescribed by the ASB Constitution.

Jim Sanford reported upon Arnold Lahti's tennis record of last year. After seeing Coach Lappentusch for approval, the Board will recommend that Arnold be granted his letter and sweater.

Donna Redmond, representing Valkyrie, requested permission from the Board to sell popcorn at the baseball games, and the Board was favorable to the plan.

The committee in charge of selecting the war memorial is in need of more suggestions. Something functional and useful to the school would be desirable.

Dr. Kangley asked if anything is being done about the Lakewood property which is in bad condition. It was reported that on May 16, the W Club is planning to work out there with a salmon bake to climax the day.

Jim Sanford asked what has caused the delay in constructing the Mt. Baker memorial. Don Packard reported that it has, in part, been due to the delay in obtaining plants typical of those found growing on Mt. Baker which was in the original plans for the memorial. Pressure will be brought about to finish it soon.

Don Packard reported that Mr. Leaf investigated the bicycle situation in Seattle, and we will be sent a price for the thirty-five bikes instead of bidding on them. Where to keep them was considered. We will buy them if the price is low, and if they are in good condition.

Ted Gary brought up the problem of girls from organized houses not being allowed to stay out late enough to see the finish of our spring baseball games. Don Packard will see Miss Powers concerning this. Precaution is necessary in scheduling games to avoid a conflict in the policies between athletics and girls' organized house rules.

Gloria Carey asked what has happened to the Scholarship Society since recognition is no longer made of high grade students. Gloria Carey and Laverne Brockmeir will see Mr. Arntzen concerning this.

The question concerning the status of the junior-senior class and the desirability of splitting it into two separate classes was brought up.

The chairmen of the Sports Banquet will report on the progress of their plans at next week's meeting.

The Pep Band sweaters have arrived and will be presented to the members who have earned them at the dance this Friday.

In reply to Dr. Ross' question concerning the use of money from the G.I. fund to supplement the ASB budget, Jim Sanford gave an additional report on the recent meeting with Dr. Haggard.

The meeting adjourned at five-forty.

Patricia Loomis, secretary
