A special meeting of the Board of Control was called to order by President Butler. The minutes were read and approved as read.

The main purpose of the meeting was to discuss rec-hours and the problems arising there-from. Mr. Marquis and Miss Jones met with the Board in order to help find a solution for these problems.

The Homecoming Booklet was discussed. A motion was seconded and carried to call for applications for Editor of the publication.

Miss Countryman and Mr. Butler were appointed as delegates to the Nominating Convention representing the Board of Control.

With the pressing business out of the way the Board then took up the subject of rec-hours.

The problem of faculty sponsors was discussed first. It was suggested that each club sponsor a rec-hour and take care of getting faculty sponsors and seeing to it that they are greeted and properly entertained.

As for evening rec-hours, the most satisfactory suggestion was that three afternoons in the month rec-hour would be from 4:00 to 5:00 in the afternoon. For the fourth rec-hour and evening ~~dance~~ would be held from 8:00 to 11:00 in the evening and would be a nice affair and take the place of evening rec-hours.

It was decided to give the matter of guest tickets further study before formulating a definite set of rules to take care of the problem.

This coming Friday rec-hour is to be held from 8:00 to 10:00 in the evening. The Board members are all to be there and carefully observe anything that needed improvement or anything that might lead to a possible solution of some of the difficulties now in evidence, and report back to the Board at the next regular meeting.

A motion to adjourn was seconded and carried.
