Ralph Bennet reported that the sweaters for the yell and song staff had cost \$101.56 (\$13.56 over what had been allotted). He read a letter from the company explaining the price increase, which had been received by Mr. Earle. Since the sweaters had been urgently needed upon arrival, they had accepted them. ~~with the increased cost.~~ Dr. Cederstrom made a motion the \$13.56 be appropriated for the purchase of sweaters and that the money come from the Trophy, Pins, and Awards allotment; seconded and passed with a vote of 7 for, 3 against. The board discussed Neil Jeremiah's suggestion that a person be appointed as a coordinator for mixers whose job would be to have at his fingertips information regarding available bands, persons, to contact, etc. The board in general felt that if such a ~~position~~ ~~is necessary~~, a position is necessary, it should be handled by the Social Chairman, Lurnell Cooper. Bud and Gloria suggested that in the future, the board of control be responsible for seeing that the Homecoming chairmen receive the reports of the previous Homecoming before Fall quarter.

The editor and business manager of the Klipsun were present to clear up some misunderstandings regarding club pictures in the annual; some of the board members were under the impression that a \$10.00 fee would be required by all clubs who were to have their pictures in the annual. In the discussion that followed, it was made clear to the board that this had merely been a suggestion ^{to the ICC} to cut out "dead wood" in the annual and that club pictures would be in this year's annual without any fee being required. However, the Klipsun staff felt that it would be desirable to have some means of eliminating pictures from the annual of clubs which were not active enough to deserve annual recognition in the Klipsun. Dr. Cederstrom moved that the board of control prepare or have prepared, a list of clubs whose photographs they wish to appear in the annual; seconded and passed with a vote of 4 for; 2 against; 2 not voting.

Chas. Odell moved that the board of control delegate the ICC to select the clubs that will be pictured in the Klipsun; seconded and passed with a vote of 5 for; 2 against. members of the board held different opinions; Larry Wilson felt the Klipsun should try to raise money to avoid reducing the size of the annual and mention was made of incorporating advertising in the Klipsun. Chas. Odell wished to go on record as being against advertisement in the annual. The suggestion was also made to approach the administration for additional funds. Paul Gillie felt that the girls staff should be commended for staying in their budget.
