

The meeting was called to order by President Tedford. As a quorum was not present, the minutes were not read.

Miss Tedford presented the directory. Suggestions for improvements were given and corrections were made.

The lounge manager asked if new ping pong paddles could be obtained. It was suggested that we try to purchase the needed equipment. Interested persons were advised to submit prices to the Board for new tables and were told to contact Mr. Aagard.

Revision of the constitution was discussed because the Nominating Convention thought it desirable to allow 15 days between the convention and the election for campaigning. The general opinion of the Board was that the revision should be made next year, although suggestions for changes should be left by the present Board.

A discussion concerning faculty advisors for the Board followed.

The meeting was adjourned.

Glennis Sundberg  
Acting Secretary

May 16, 1945
