

August 15, 1946

The meeting was called to order by president, Don Packard. The subject of student body tickets for students' wives was brought up by the president. A charge of \$3.00 per quarter was proposed. It was moved and seconded that the president make arrangements for the provision of student body tickets for students' wives at \$3.00 per ticket. The motion was carried.

Dr. Bond moved that the student association fee of \$2.50 be increased, since this \$2.50 fee does not cover expenses adequately. The motion was carried.

The use of the gymnasium for dances was discussed. The installation of a lunch counter in Edens Hall was discussed.

The meeting was adjourned.
