## **Intensive English Program (~10 weeks)**

Our online IEP is based on our successful in-person English program which has run for over 30 years. Four core classes cover English skills in reading, writing, speaking/listening, and grammar. Classes run 3-4 days per week and include 12 synchronous hours of class per week, along with asynchronous work.

## **Intensive English Program Class (~10 weeks)**

You choose which English skill you want to focus on. Classes are available in reading, writing, grammar, and combined speaking/listening. Each class runs 3-4 days per week and includes 3-4 synchronous hours per week, along with asynchronous work.

## **Intensive English Certificate (4 weeks)**

Study all English skills (Reading, Writing, Speaking, Listening, and Grammar) for an intensive four weeks. Classes run 3-4 days per week and include 12 synchronous hours of class per week, along with asynchronous work. This program begins the same dates as the online IEP.

## **Intensive English Class (4 weeks)**

Not ready to commit to a long program? Try online instruction with just 3-4 synchronous hours per week for one month. Classes are available with a focus in reading, writing, grammar, and combined speaking/listening.
