GET TO WHERE YOU WANT TO GO

Western isn't a place where you just show up for classes, learn a few things and get a job that bores you. That's for normal schools. Through close relationships with professors, a community atmosphere, a reputation for academic excellence, and five convenient locations including Bellingham, we help people find their purpose. And we inspire them to pursue that purpose with everything they've got.

We bring together those who want to change the world with the people who are changing it. Invest in yourself and your education. Take the next step and apply today.

Guaranteed Transfer Admissions

Study with one of our partner colleges and receive guaranteed admission to Western! Students who complete a transferable associate degree with one of our community college partners and meet eligibility requirements will be guaranteed admission to Western. Connect with a Western advisor early to learn more about your options. Visit [admissions.western.edu/transfer/guaranteed-admissions](https://www.western.edu/transfer/guaranteed-admissions) for deadlines and to learn how to opt in.

TUITION AND AID

Western is nationally recognized for providing excellent education at an affordable cost, with *Kiplinger's Personal Finance* ranking Western as a top value in education. The Washington State Legislature recently provided funds to reduce tuition rates and enhance access for resident undergraduate students in most four-year degree programs offered by Western on the Kitsap and Olympic Peninsulas.

Aim Higher with a Washington College Grant

Through the Washington College Grant, more families are eligible for state aid. The Grant does not need to be paid back. There is no separate application for the Washington College Grant. Completing a state (WASFA) or federal FAFSA application is the first step to accessing these funds.

Tuition Equity: House Bill 1079 & The Real Hope Act

Western Washington University extends educational opportunities and resident tuition to all students who meet the criteria of Washington House Bill 1079, established by the State legislature in 2004. Supporting all students pursuing a degree, Western ensures confidentiality and protection of student education records, including immigration status. We also celebrate the passage of the Real Hope Act in Washington State and encourage eligible students to apply for the Washington College Grant using the Washington Application for State Financial Aid (WASFA).

A MILITARY FRIENDLY SCHOOL

Serving Bellingham, Bremerton, Everett, Poulsbo, Port Angeles, and online learners, Western provides special tuition rates for active duty personnel, tuition waivers, priority registration, credit for military training, and more.
