

Campus School Watches Rhythm Hour

Children From Grades Two To Nine Take Part In General Assembly

"Rhythm is only one phase of a well-rounded physical education program," said Miss Ruth Weythman, of the College physical education department, in commenting on the rhythm assembly presented before the campus schools yesterday morning in the gymnasium of the physical education building.

Rhythms presented by the fourth grade dealt with the progress of transportation and were an outgrowth of their studies in the social sciences. Through rhythms the children showed the development of transportation from walking and running through the use of elephants, camels, and horses to boats, trains, motorcycles, and airplanes.

The Virginia Reel, which they had learned following a study of colonial America, was presented by the fifth grade girls. The sixth grade girls gave Seven Jumps. Girls of the seventh grade showed original folk dances; An Orchestra, Mosquitoes, Skating, and Shopping, the last three being worked out to the same music.

Pat Kemp was elected president of the International Relations club at a meeting held Thursday, May 19, in the Edens hall club room.

Pat Kemp Elected President, IRC

Pat Kemp was elected president of the International Relations club at a meeting held Thursday, May 19, in the Edens hall club room.

Other new officers elected at this time are: vice-president, Bill Strickfaden; secretary, Roland Van Luven; treasurer, Wilbur Little. The new constitution, which has been under consideration, was accepted at this meeting.

and a group of three original folk dances.

"Folk dances and old traditional singing games, with the folk lore accompanying them, give us an appreciation of the culture of other countries," Miss Weythman explained. "Each dance has a story behind it, the Virginia Reel, for instance, being a dramatization of weaving. It is natural that we can tie up rhythms with studies in other classes, and when we do so, the check that is made on the knowledge of the subject, or of life, is valuable. Folk dances develop coordination."

There are twenty-seven beaches, on both fresh and salt water, within a ten-mile radius of WWC.

Looking It Over Ellensburg Wins; Cheney, Bellingham Trail

By J. CARVER (Pinch-hitting for B. Fowler) In four hours the tennis boys will have wound up the inter-collegiate athletic program for 1937-38 with their match against Willamette at Salem, Oregon. At this point it might be appropriate to send up a few cheers for WWC's spring athletes. The tennis team, up until the Webfoot state trip, was undefeated, just the opposite from the 1937 gang—the five men who were stymied in every match. The golfers—now there's a real team, one Coach Carver will long remember. They've taken the measure of nineteen straight matches in the last two years, Tesreau shooting consistently par or under. As for the track men, well, they tried hard, broke records, but there weren't enough competitors to win many meets. Anyway WWC is proud of each and every one for helping to keep the school up in the athletic world.

THE VIKINGS A SUCCESS

From the Ellensburg trip: Profs. Kibbe, Grim and Phillip were on hand for the big meet. . . . Eyer felt pretty sick about not cracking the vault record, but we understand the runaway was a good place for a motorcycle climb. . . . Nelson celebrated his breaking the h. j. record by reading his Lit. book. . . . All of the fellows took a turn on the ferris wheel, etc., that was next door to the track. . . . Nicholson, 'Cat coach, accused Lappy of importing all his tennis players, but Lap had the last laugh when he coolly remarked that all five men were born in Bellingham. . . . Harvie was affected most by the intense heat.

Question: What WWC man looks like a coming golf champion? . . . Al Stover was well impressed by the No. Division track meet even though he had to climb the fence to get in. . . . Doc Rhodes and his Turner soft-balls tried for the third time to beat Viking Manor, Tuesday, but fell back in defeat, 11-5. . . . Hail the champs: V. M. . . . Scoop: The U. of Mexico will play a basketball game here next winter. . . . Better search 'em first, Lap. . . . Ellensburg and Cheney are in favor of two-game series in basketball instead of the one game stand as in the past. . . . A swell idea. . . . There is a strong possibility that WWC will travel to Missoula next Christmas for a couple of casaba tilts with the U. of Montana. . . . Looks like an interesting winter for the cagers. . . . Nine men get their first WWC sweater this spring: Cooper, B. Fowler, Fisher, Zylstra, Crawford, Bever, Ellis, Morris, and Armstrong.

And for Nicholson, again: Another "foreigner," Hank Chamberlain, of Bellingham, will be on WWC's tennis squad next spring. . . . Noticed Tisdale and Nelson toddling off in shorts for a tennis game. 'S all.

In a track meet held at Ellensburg last Saturday, the Ellensburg Wildcats, of Central Washington college, scored an upset victory over the colleges from Western and Eastern Washington to win the Tri-college track and field championship for the first time since 1928.

Another Tesreau Makes Good

One of the classiest club swingers at Western Washington College and 1938 Tri-college golf champ is Jeff Tesreau also is a varsity baseball letterman from the University of Washington. He has an uncle, also named Jeff Tesreau, who pitched for the Giants in the National league. In addition to his latest titles, Tesreau won the Grays Harbor Golf championship last summer.

—Herald Staff Photo.

Jeff Tesreau, the new Tri-college golf champion, showed the boys and girls how to play that hogback No. 4 hole at Birch Bay Sunday, when he sank his ball from the tee with one stroke.

Tesreau aced it, holing out with a No. 6 iron on this tough and exacting 160-yard par-three hole, and then went on to post a scorching 65, three under par, to win Birch Bay's annual spring tournament. It was Tesreau's second ace in less than a month, the Western Washington college star having dropped in an ace in a team match at Vancouver, B. C.

With the WAA

By Rowe and Carlyle

Good evening, ladies! This is "sport" light as this week's sporting personality. Entering WWC in the fall of '36 as graduate of Hoquiam high school, Ruth has turned out for all the sports and next year will hold the coveted office of WAA president. This is just one more highlight in Ruth's career as an executive. During her high school days she was Girl's club president.

Liking all the sports offered by WAA, Ruth claims two of them as her favorites—basketball and badminton. But sports are not her interests. Her aim is to be an English teacher, and in pursuing this ambition, she is an active Vanadis Bragi member and a theme-corrector for Dr. Cederstrom. She hopes to attend Columbia university to receive further training in the teaching field.

With sunburnt faces, WAA'ers returned from Sinclair island Sunday evening reporting—well, let's hear what the girls have to say about it: BETTY SWISHER: "We had a glorious week-end—something was always happening."

SHIRLEY ROGERS: "We had a perfect week-end—the best boat trip ever."

BARBARA KENNEDY: "We ate and ate and ate—and slept and slept and slept."

FERN ALLINSON: "Being a member of the campercraft class, I had lots of fun."

All of us join in giving Miss Weythman and her campercraft class "four rahs" for the efficient manner in which they took charge of the cooking.

Vikings Win Tennis And Golf Crowns In Tri-College Meet At Ellensburg

Ellensburg Places Second; Cheney Scoreless

Vikings Defeat Wildcats, 5-2; Weather Has Effect on Invaders From the Coast

Climaxing of successful college competition, the Viking netmen added the Tri-college tennis crown to their string of victories by defeating Ellensburg 5 to 2. Cheney, the other contender was unable to score a point.

According to the dopsters, the Vikings were expected to win the title after viewing their previous performance against Ellensburg. The weather man almost upset the dope bucket when he turned on the heat, to the dismay of the coast boys. After taking the first day to get used to the hot weather and the faster courts, the locals breezed through the final matches on Saturday, dropping only the third singles and the second doubles.

Thompson, of CWC, again extended Fisher to three sets before dropping the match, while his teammate, Carr, ran Cooper into three sets before bowing out.

Friday's results: Stephens (E) defeated Ulowetz (C), 6-0, 6-4.

Cooper (B) defeated Carr (E), 5-7, 7-5, 6-3.

Total Number of Tri-college Records Increased One

Although breaking two of the four records broken at the Tri-college track meet at Ellensburg last Saturday, the total number of Tri-college records held by the Vikings was only increased by one. As the records stand now, Cheney holds seven, Bellingham six, and Ellensburg, two.

Nelson's record breaking jump of 6 feet 1-8 inch in the high jump, replacing the title held by Holl, of Ellensburg, gave the Vikings their one point advantage. Eyer and Weber also broke the broad jump record, but as it was already held by a former Viking, did not have any effect on the total number.

The Ellensburg relay team broke the record for that event and Carpine, of Cheney, dashed to a new low in the 440 in other record crashing events of the day.

Tesreau Leads Norsemen To Another Title

Ellensburg Places Second With 479; Record Set By Chase Still Intact

Led by Jeff Tesreau, the WWC golf team retained its Tri-college golf title at Ellensburg last Friday with a three-man total of 453. Ellensburg was second with 479 and Cheney was third with 545.

Tesreau's 36-hole score of 144 was just two strokes over the conference record set by Manford Chase, of WWC, last year. Finishing eight strokes back of Tesreau to capture runner-up honors was Ed Dickson, of Ellensburg.

In the four-man team match against Ellensburg Wildcats, the Vikings overwhelmed the central Washington school to the tune of 11 to 1, to complete two years of undefeated play in intercollegiate competition. Few other schools in the West can boast of such a record.

Traveling to Ellensburg as fourth man, Homer Morris went to work in his match to win three points and his first varsity letter. Both Morris and Jimmy Armstrong, who have been battling all season long for a position on the squad, have gathered enough points this season to win varsity sweaters.
