Pedersen Explains Budget Trimming

By DICK PEDERSEN Student Body President

With the current school year drawing to a close, we would like to express our deepest appreciation to a very hard-working and efficient board of control. We sincerely hope that Mark Hardie and Paul Dodsworth receive this grand cooperation next year from board of control and the student body.

The Associated Students 1952-53 budget received its final trimming this week. After discussing detailed budget items with the Alumni banquet at 5:30 tomorrow department directors, the board has called for final budgets to be night. submitted no later than 4 o'clock*

Wednesday, June 11.

Here is the 1952-53 ASB budget: Men's Intercollegiate

athletics\$	21,000.00	
Intramural Athletics.	1,100.00	
WWCollegian	6,987.00	
Administration	3,125.00	
Music	4,000.00	
Social	3,145.00	
Forensics	1,548.00	
Women's athletics	1,400.00	
Drama	1,310.00	
Reserve (sinking fund)	1,385.00	
Total\$	\$5,000.00	
Now let's compare that	budget	
with the 1951-52 ASB budget:		
Men's Athletics\$20,720.00		

	20,120.00
WWCollegian	5,825.00
Administration	2,231.00
Music	2,170.00
Social	2,100.00
Forensics	1,448.95
Women's athletics	
Drama	

Total . \$35.897.60 With the \$2.50 a quarter increase in student fees which the college board of trustees granted the ASB for next year, we were able to estimate an overall income of \$45,000.00 Most notable among many changes in the 1952-53 budget is the separate intramural budget. There is also the addition of a reserve or sinking fund for miscellaneous expenses of non-budget items. Although every department received an increase, the Music department was granted the largest jump, approximately \$2,000.00.

Last quarter we recommended that the Artist and Lecture series be changed from Student Artist and Lecture Series to College Artist and Lectures. Why? I hope this will answer a recent letter to the editor in regard to the series.

We have been bothered by the word Student. First of all, the college administration collects \$2.50 a regular school quarter from each student for this series. In this way the students and their elected officers do not see or handle this money after registration. The college handles the series in a way quite similar to a quarterly laboratory fee.

Secondly, the faculty committee has invited an equal number of student leaders to sit with them and select artists from a list of available performers. These artists are of the highest caliber and are handled only through managing agencies.

The faculty invites students to select artists with them, the administration collects and handles the fees for the series, and all detailed arrangements are handled by the administration.

Let's face the fact: the Artist and Lecture series is designed to be educational rather than merely entertaining. The college is upholding a high level of cultural programming. Therefore, we believe that it is the responsibility of the college, not the Associated Students, to be concerned about the acceptance of these assemblies.

Guy Allison, west coast columnist and a graduate of WWC, will be the main speaker for the Alumni day assembly tomorrow, June 7, 4 p. m., in the auditorium. At this time he will present five original copies of the Gettysburg address to the college.

From Marshalls to Boston, Alumni **Report Activities**

Mrs. May Bettman of the correspondence and extension department has heard from several alumni and reports their whereabouts and work.

Yvonne Carson, a graduate of 1951, taught in Mount Vernon the past year and will work at the Youth Center in Seattle this summer.

Nona Cochran, a graduate last August has been teaching in Tacoma and is to do vacation Bible school work on a scholarship in greater Boston and she will live at Andover Newton Theological Seminary,

Mrs. Mary Worthylake a graduate from Western has almost finished her thesis for a Master degree. She has been teaching in the Marshall islands. Her husband, who is inthe navy, is stationeed there. School children are children of navy men from all over the country. Her school is half of a Quonset hut and looks out on the ocean booming on the reef. She has grade 4 through 8. She and her husband expect to be transferred in June.

Mr. and Mrs. Barrett, of Payette, Idaho, called at the college Monday. Mrs. Barrett has taken several courses by correspondence from the college and had never been here before. They were enroute to Alaska via Vancouver.

"The campus is beautiful and the buildings splendid. I hope I can come to summer school sometime," said Mrs. Barrett, a teacher at Payette.

Ward Will Direct Norsemen's Club

Bill Ward, WWC junior, will succeed Bob Lajala as president of the for graduates, Arts building, rooms Norsemen club. Ward edged out Dick Stewart, also a junior, in balloting June 3 and 4.

I shall fulfill the responsibilities and duties of the office to the utmost of my ability. This last year Western has had one of the finest student body presidens ever. Dick Pederson has done an excellent job. As chairman of the Board of Control he has handled business in a most efficient manner; as coordinator of student committees he has chosen body good and reliable people; and as

a representative of the student body Dick has set a precedent. It is a tribute to the integrity of the students of Western Washington college and an asset to the college to have had Dick. Hats off to a great

Western Washington college ex-1 dorm and from there proceed to perience a bit of the unusual last Edens hall for the festivities. How-Wednesday evening, May 28, as the ever, the Bellingham police got wind of the plans and soon two police cars were dispatched to the scene of the crime. The police cars proceeded to the campus, one driving to the main building and the other going up to the water tower. Soon three cars came down from the water tower, stopped in front of the Auditorium-Music building, and 10 or 12 mysterious characters leaped out and stood innocently on the sidewalk as the police drove by. A crowd began to collect, and in a short time there were 30 or 40 people standing in front of the dorm.

> However, the police continued to patrol the campus and the dean of men also entered the picture. The crowd dispersed and the threat of "panty raid" was quelled.

Westerners to Play Host To Pacific U.

Football season begins for the Western Washington Vikings September 20, when they play host to Pacific University of Forest Grove Oregon, at Batterbsy field.

Western will have 19 returning lettermen on the squad. They are: Rufus Winters, Bob Fagan, Al Cornett, Larry Lowry, Bud Hood, Pete Muir, Tom Rassley, Louis Jelenik, Ari Roberts, Dick Pangallo, Gerald Peterson, Don Jangaard, Bill Karwacki, Ed McDade, Harvey Burger, John Mariotti, Vic Lee, Art Lee, and Spud Walley.

Training begins September 8, and many prospective freshmen are expected to turn out for the squad.

Western's 1952 football schedule is as follows: September 20, Pacific University at Bellingham; September 27, College of Puget Sound at Bellingham; October 4, Pacific Lutheran at Tacoma; October 11, University of British Columbia at Bellingham; October 18, Whitworth at Spokane; October 25, Central at Bellingham; November 1, Eastern at Bellingham, Homecoming for Western; November 8, University of British Columbia at Vancouver. Western has an open date November 15. The last four games begin at 2 o'clock.

Lettermen Choose **New Officers**

Western's lettermen's organization, the "W" club, held their annual banquet and election of officers at Brownie's Cedar Chest Tuesday evening, June 3.

Cliff Hash was selected by the group to serve as president for the forthcoming school year. Vice president elect is Modris Peterson, with Art Lee in the secretary-treasurer's office.

"We have a good selection of officers and are looking forward to active participation in ASB affairs for next years," stated outgoing president Bob Lajala.

The dinner was attended by all of Western's coaching staff and approximately 50 lettermen, both new and old members of the club.

Most of the people on the WWC campus and in Whatcom county fail to realize that Western Washington college has one of the most famous football coaches in the football playing world! Charles Lapenbusch is what Carl Snavely, president of the American Football Coaches Association, calls a "Doctor of Philosophy."

Many of you recall Dr. Lapp's exploits in the coaching world and his recent trip to Cincinnati, Ohio, where he addressed the top collegiate gridiron coaches in the country. Yours truly recently read his word for word talk published in the AFCA magazine, which devoted more pages to the Lappenbusch "Straight Line Football" principles than to any other coach or speaker. The Lappenbusch article was without a doubt the most interesting and revolutionary talk in the magazine. FLOOD OF LETTERS

Mr. Lappenbusch has been receiving letters from coaches all over th football playing world, wanting more information on straight line football so that they can incorporate its principles. Letters have come from Puerto Rico, Saudi, Arabia, Mexico, Hawaii and Canada, to mention some of the foreign schools who are interested in his "easier" methods of playing football. He has also received mail from dozens of major colleges and universities in the United States. They all want to learn to play football, straight line style! Just as soon as his book is published and can be incorporated by the hundreds of interested coaches, Charles Lappenbusch will be on his way in history as the man who revolutionized and changed the philosophy of one of man's most thrilling games, American football. **COACHING COURSE OFFERED**

Incidentally, for those who would like to learn Straight Line football first hand, the college is offering a new course which will be given the first half of the summer quarter under the name of General Coaching 373. This course is actually a course explaining the Straight Line Principle Operations of offensive and defensive football and basketball. Other phases of coaching will also be taught ...

Standards in Conference To be Raised

At a meeting held recently in Vancouver, B. C., the Evergreen conference ruled to raise scholastic standards of athletes and to adopt a new transfer rule that is more strict than that used in the Pacific Coast conference.

Athletes must now maintain a 'C" average in order to remain eligible for competition. Athletes transferring to Evergreen schools from other four-year colleges and junior colleges have, in the past, been eligible for immediate participation in sports. However, under the new ruling, they must forfeit a year of competition.

Another ruling adopted by the conference will prevent member schools from inviting promising high school athletes to visit a campus for tryouts. It was also agreed that the annual track meet held at UBC this year will go to Whitworth college at Spokane in 1953.
